How to use this Flyer:

Action Network is a convenient and effective way to influence Congress to act on issues critical for equity for women and girls. The more people in the Action Network, the more effective AAUW's advocacy efforts will be. Anyone can sign up for Action Network, AAUW members and nonmembers alike. It is an excellent way to introduce potential members to AAUW's advocacy and AAUW has been successful at recruiting new members from Action Network. By visiting http://www.aauw.org/advocacy/issue_advocacy/grassroots.cfm you can print out flyers to sign up friends, family and co-workers to the AAUW Action Network. These flyers are great to use at branch events, community events, print in newsletters, etc.
